Benefits to a Franchisee Partner

ऐसा क्या है Agrotikos में जो तुमको भा गया ?

इतनी कम पूंजी में स्टोर खुलवाना तो सिर्फ राजस्थान Agrotikos gramian smart store योजना से ही संभव हो सके। दूसरी कंपनियां तो लाखों रुपये सिर्फ फ्रैंचाइजी फीस के नाम पर ही वसूल लेती हैं। यहां पर फ्रैंचाइजी फीस कुछ भी नहीं।

1. Margin to Franchisee Partner

ASSIPL may guarantee a minimum of 10% margin to the franchisee partner as a percentage of the total monthly sales. To earn Rs.15,000/- per month the franchisee partner needs to do a sale of Rs.1,50,000/- in a calendar month. The 10% margin is indicative and will be dependent on the sale of product mix where the share of National Brands in the overall sales mix of the Franchisee is to be around 40%. In case the sales mix of National brands is above 40% the overall margin for the Franchisee will be in the range of 8-10%.
